Project Phases & Timeline

Exercise #1 – Group Discussion

What is going well?
What are we doing right?
What are the positive things you are hearing?

Exercise #1 – Group Discussion

What needs improvement?
What are we missing?
What are the negative things you are hearing?

Exercise #2 – Priorities

1. Get 10 dots from staff
2. Place dot(s) on the items that are your priority for Trails
 1. You can use all your dots on one item or spread them out
3. No sharing of dots
4. We will reconvene after 7 minutes

Exercise #3 – View the Future

When you look 5 or 10 years into the future...

- What changes do you see coming?
- What do Trails look like?
- How is your organization /group/activity changing?
